## EDUCATION

**Guru Ghasidas Vishwavidyalaya, A Central University**  
*Bachelor of Technology in Computer Science and Engineering*

**August 2020 – May 2024**  
*8.8/10 CGPA*

**Sri Chaitanya junior College**  
*MPC*

**June 2018 – May 2020**  
*92.3% Percentage*

## PROJECTS

### **REALTIME CHAT Application** 🔗 | [Javascript, NodeJS](#)

- The application delivered swift messaging capabilities, harnessing the power of Node.js for efficient server-side operations and Socket.IO for real-time, bidirectional communication between clients and the server.
- Users were able to enhance their chatting experience with simplicity and speed, utilizing this fundamental yet effective Node.js and Socket.IO-based solution.
- With its straightforward user interface and essential features, our Basic Realtime Chat Application provides a seamless and responsive platform for quick and easy conversations.

### **MovieLand OTT Application** 🔗 | [ReactJS](#)

- Engineered a state-of-the-art OTT application using HTML, CSS, and ReactJS, elevating multimedia streaming to deliver an enriched user experience.
- Designed an intuitive interface to amplify content engagement and improve accessibility, ensuring a seamless and enjoyable user interaction.
- Implemented an efficient search feature, enabling users to easily locate specific movies, thereby enhancing content discoverability and user satisfaction.

## INTERNSHIP

### **TXON**

**June 2023 – July 2023**

*Web Development Intern*

*Remote*

- I actively contributed to the success of the team through the successful completion of assigned tasks and projects.
- I demonstrated proficiency in web development technologies and a strong commitment to delivering high-quality results.

## TECHNICAL SKILLS

**Languages:** Java, C, JavaScript, HTML, CSS, Python, NodeJS

**Developer Tools:** Git, VS Code, IntelliJ, Sublime Text, Atom

**Technologies/Frameworks:** GitHub, Bootstrap, jQuery, Expressjs, ReactJS

## POSITIONS OF RESPONSIBILITY

### **CodeChef ITGGV Chapter** 🔗

**July 2021 – January 2022**

*Executive member - CP Team*

*Guru Ghasidas Vishwavidyalaya*

- Organized 18+ events throughout the tenure on various topics of competitive programming topics.
- Apart from my regular duties, I took pride in building a inclusive community of passionate programmers.

### **Developer Student Clubs - GGV** 🔗

**September 2022 – March 2024**

*Executive member - Web Development Team*

*Guru Ghasidas Vishwavidyalaya*

- I took sessions on version control systems like Git and Github which are helpful in managing projects.
- Also participated in the many contests counseled by GDSC.

## ACHIVEMENTS

- Finished second in the internal SMART INDIA HACKATHON (Team Name: Wee Coders)(2022).
- I got 3rd rank in coding contest organized by Equilibrio'22 ITGGV in collaboration with CODECHEF
